This Platform Subscription Agreement (this “**Agreement**”), effective as of the Product Order date or the date that Customer first receives access to the Platform (the “**Effective Date**”), is by and between Datassential, Inc., with offices located at 18 S. Michigan, 9<sup>th</sup> Floor, Chicago, IL, 60603 (“**Provider**”), and the entity that Provider is providing or selling products to pursuant to a Product Order (“**Customer**”). Provider and Customer may be referred to herein collectively as the “**Parties**” or individually as a “**Party**.” The specific products ordered by Customer are identified in separate product order forms (a “**Product Order**”) which are incorporated by reference into this Agreement.

1. Contract Formation: No agreement or understanding, oral or written, purporting to modify this Agreement shall be binding on Provider unless it is made in writing, specifically stating that it is a modification of this Agreement and it is signed by Provider’s authorized representative. No course of dealing, usage of trade, or course of performance shall be relevant to explain or supplement any of this Agreement. If this Agreement is deemed an offer, Customer’s acceptance of Provider’s offer is expressly limited to acceptance of this Agreement. Customer’s Product Order or use of the Platform shall constitute Customer’s assent to this Agreement. This Agreement shall govern any free trials of the Platform. Any terms and conditions contained in any other form of communication from Customer that are additional to or different from this Agreement shall be deemed rejected by Provider, unless expressly accepted in writing by Provider’s authorized representative. Alternatively, if this Agreement is deemed to be a response to, an acceptance of, or a written confirmation of Customer’s offer, Provider’s acceptance is expressly conditioned upon Customer’s assent to this Agreement. This Agreement constitutes the entire agreement between the Parties and supersedes any prior negotiations, representations and promises, written or oral with respect to the subject matter hereof.
2. Platform: This Agreement between Provider and Customer governs Customer’s use of Provider’s SNAP! platform developed and maintained by Provider, consisting of (a) a proprietary database of data and information and the proprietary organization and structures for categorizing, sorting and displaying such data and information (“**Database**”), and (b) any related software (“**Software**”). Those portions of the Software and Database provided pursuant to this Agreement, as specified in the applicable Product Order, including any updates and modifications thereto, or other information or services provided by Provider in connection herewith, shall be defined as the “**Platform**.” Provided Customer is not in breach of this Agreement, Provider shall provide Customer with access to the Platform as described in the applicable Product Order. Provider may make updates to information in the Database in Provider’s sole discretion. To the extent that Provider gives Customer access to the Platform free of charge for a trial period, Provider may terminate or suspend Customer’s access to the Platform for any reason at any time.
3. Usage Rights and Prohibitions:
  - 3.1. Permitted User: A “**Permitted User**” is an individual who is an employee, contractor, or agent of Customer and who has been designated by Customer to Provider as a user of the Platform. Customer shall ensure Permitted Users comply with this Agreement and shall be responsible for a Permitted User’s breach of this Agreement. If a Permitted User ceases to meet the foregoing qualifications, Customer shall immediately notify Provider, and such Permitted User’s access shall be terminated or reassigned. Provider shall provide Customer with the ability to assign each Permitted User with a username and other information necessary to access the Platform. Customer

may change the names of Permitted Users over time in order to accommodate departure of employees, contractors, or agents and/or changes of job functions.

- 3.2. Permitted Use: Subject to the terms of this Agreement and solely for Customer's internal business purposes, during the term of this Agreement, Permitted Users may access and use the Platform: (a) to view the information in the Database; and (b) to download and print selected information from the Database that Provider, in its sole discretion, makes available for download ("**Reports**").
- 3.3. For the avoidance of doubt, neither Customer nor its Permitted Users may publish or make public the entirety of a Report. Except as expressly provided herein, Customer may only share a Report or portions of a Report with Permitted Users and Customer's consultants that are under confidentiality obligations similar to those contained in this Agreement provided that the consultant is not a direct competitor of Provider.
- 3.4. Prohibited Use: Customer shall not use the Platform or any Report for any purposes beyond the scope of the access granted in this Agreement. - 3.5. Suspension: Notwithstanding anything to the contrary in this Agreement, Provider may suspend Customer's and any Permitted User's access to any portion or all of the Platform if Provider reasonably determines that (a) there is a threat or attack on any of the Platform; (b) Customer's or any Permitted User's use of the Platform disrupts or poses a security risk to Provider or to any other customer or vendor of Provider; (c) Customer, or any Permitted User, breaches this Agreement; (d) subject to applicable law, Customer has ceased to continue its business in the ordinary course, made an assignment for the benefit of creditors or similar disposition of its assets,

or become the subject of any bankruptcy, reorganization, liquidation, dissolution, or similar proceeding; or (e) Provider's provision of the Platform to Customer or any Permitted User is prohibited by applicable law. Provider shall use commercially reasonable efforts to provide written notice of any suspension. Provider shall use commercially reasonable efforts to resume providing access to the Platform as soon as reasonably possible after the event giving rise to the suspension is cured. Provider will have no liability for any damage, liabilities, losses (including any loss of data or profits), or any other consequences that Customer or any Permitted User may incur as a result of a suspension. Customer shall continue to be responsible for Subscription Fees for any such interrupted or suspended period.
