

Diversity & Inclusion Statement

At Datassential, we celebrate foodies from all over the world and create a welcoming culture where people research, study, and learn about food trends. We're committed to being the best in the industry and that means celebrating various perspectives and experiences, learning from each other, and passing on that knowledge to our clients. Food brings people together, and there's room for everyone at Datassential's table.

Datassential is an Equal Opportunity Employer encouraging diversity in the workplace. All qualified applicants will receive consideration for employment without regard to race, national origin, gender identity/expression, age, religion, disability, sexual orientation, genetics, veteran status, marital status or any other characteristic protected by law.
